Autumn State-Based PD Days

09 April 2021

Don't forget to register for your state's PD event, if you haven't already done so. We are of course closely monitoring the COVID restrictions to ensure the safety of all of our advisers, but we are optimistic that we will once again be able to offer state-based PD events this autumn.

Please note these are **mandatory** for all of our AR's.

The PD events are a road show of sorts, meaning that all of our advisers will benefit from the exact same set of presentations, no matter which state they live in. It will be a full day of education provided by some of our CET partners, members of the compliance team, PDM's, as well as from our managing director, Garry Crole. Your ticket entitles you to a catered lunch, as well as tea and coffee.

These events are a great opportunity for our advisers to network with other Sequoia members, as well as to gain some invaluable industry education. The event will be CPD accredited and these points will be itemized and announced at a later date once the line-up of panelists has been confirmed.

All events will be held from 8:15am-4:30pm (local time). Event dates are listed below.

Brisbane PD Day, 27 April 2021
Sydney PD Day, 29 April 2021
Perth PD Day, 4 May 2021
Adelaide PD Day, 6 May 2021
Melbourne PD Day, 14 May 2021
